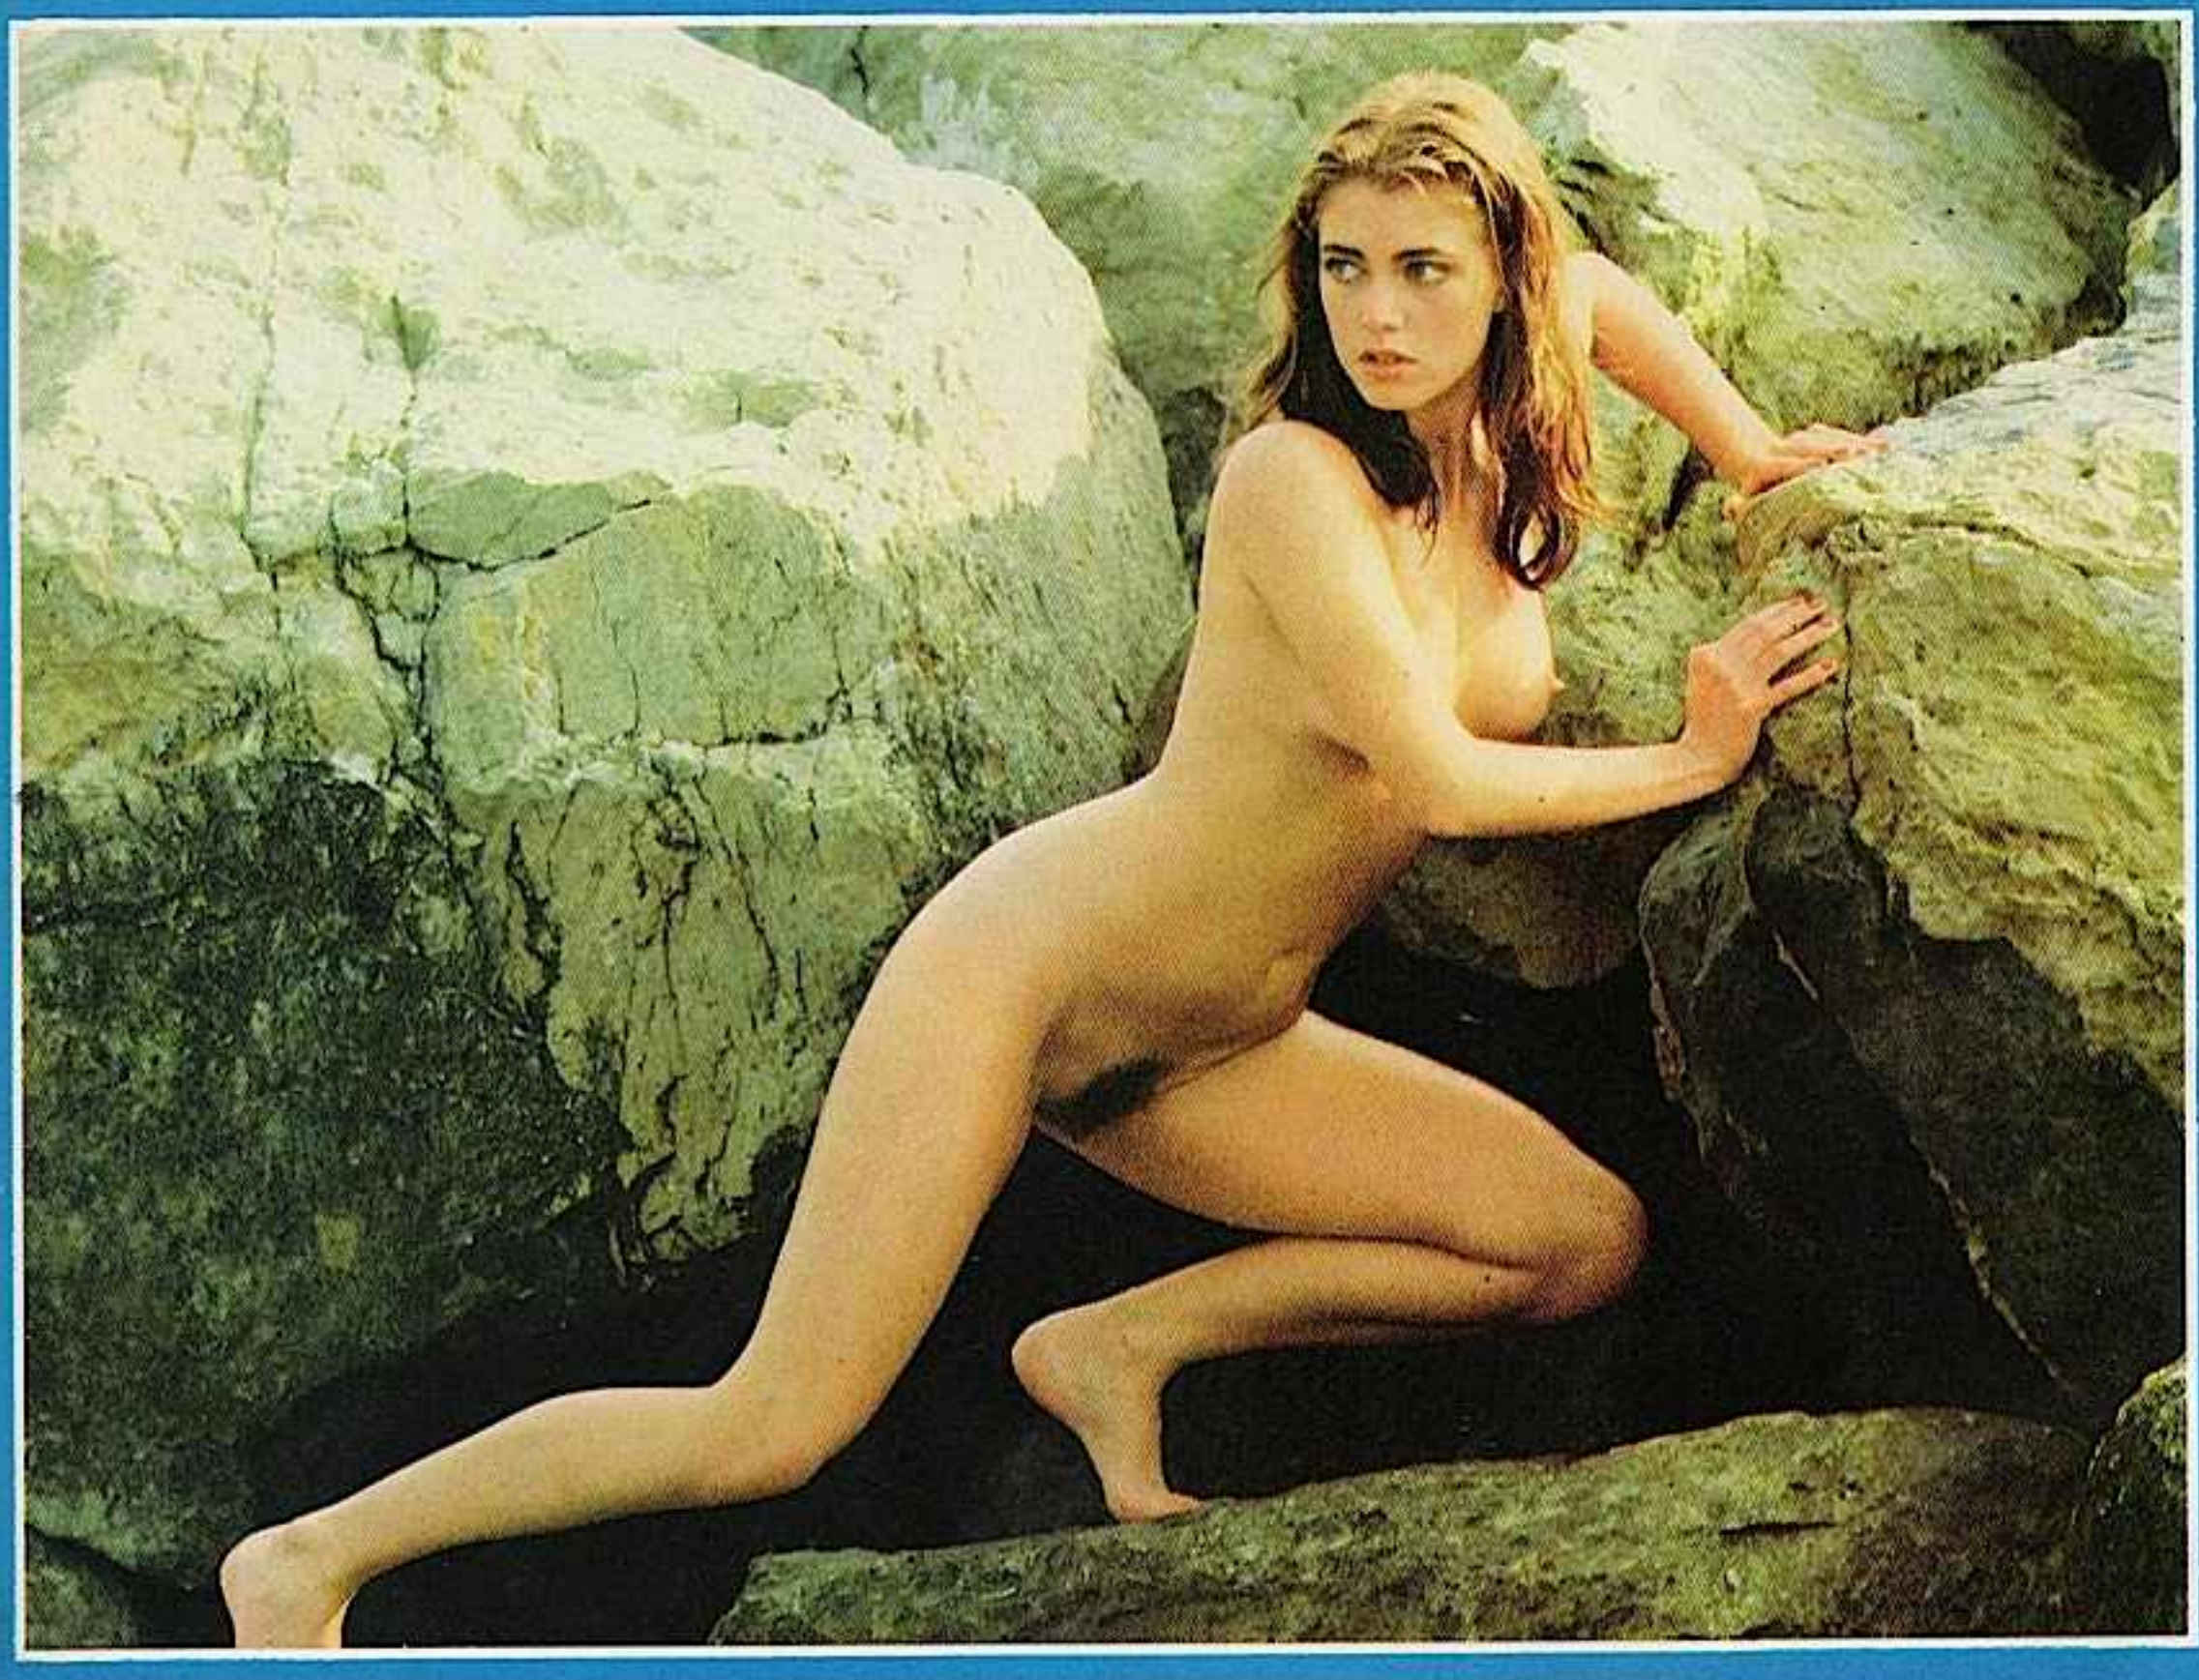
CELEBRITY SECRETS

THE STAR OF "FANNY HILL"



Emmanuelle . . . *Emily* . . . They've both become adult movie classics and made Sylvia Krystel and Koo Stark household names. With the launch of the infamous *Fanny Hill* on the wide screen this summer, Brent Walker can be sure the nubile lovely cast in the title role will join that sexual elite. As our full frontal pictures show, LISA RAINES is a sexual event not to be passed over lightly.
